

LAGUNA BASIC

FLEXIBLE, WITH SOFT CURVES, A MASTERPIECE MADE OF WOOD

aLEGNA

THE LAGUNA BASIC WAS CREATED FORMING A UNIFORM AND INTEGRATED FRAME.

With a softly curved and stable form, and an effortless and beautiful design, this bathtub is also referred to as the «flexible» one. Due to its modular design, this bathtub can be produced in different types and sizes. Whether large or small, fitted in a corner or free-standing, this tub offers many flexible and individual options.

WE WILL CREATE YOUR OWN PERSONAL OASIS OF WELLNESS AT HOME.

Just let us know your wishes.

Due to its beautiful interior tub with a flexible external shape, it can be installed in any bathroom. Conventional bathtubs can be replaced without great effort. Trap and overflow are pre-installed, therefore the installation time is reduced to a minimum. In addition, each model is available with a Jacuzzi system.
